Quick-Start Guide for T-Mobile Samsung T919

The next screen will collect your login information. The application will automatically get your phone number.

1. Type in your first and last name.
2. Tap **GO** or **Done**. The system will create your new account.

NOTE: You will not be asked for a PIN. The application will automatically use the last 4 digits of your phone number as your default PIN. If you want to change your PIN, simply login to your "My TeleNav" page at: <http://www.telenav.com>

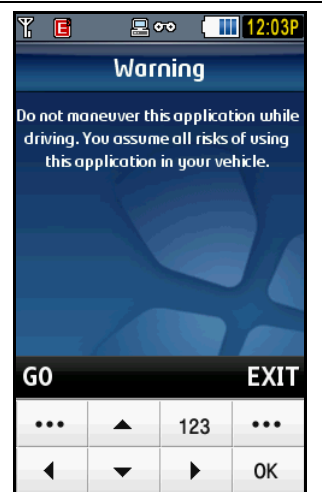

NOTE: After you have logged in, you will see the following message displayed on your screen for a few moments:

Welcome to the TeleNav 14 day free trial. You will receive upgrade instructions when your trial period expires, or you can go to T-Zones and find TeleNav under "Downloads," and purchase a license.

This message will only appear if you have activated a new trial account.

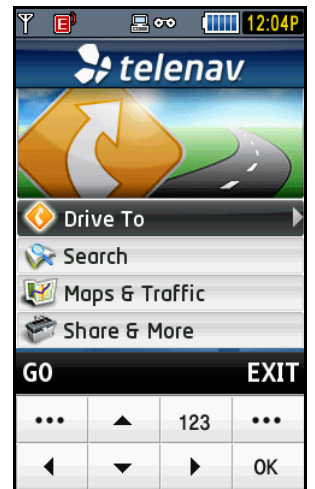

1. The Warning screen appears. Tap **EXIT** to reject this warning and exit application startup, or tap **GO** to accept this warning and start TeleNav GPS Navigator.

NOTE: The Warning screen is only displayed the first time you log into TeleNav GPS Navigator and does not appear for subsequent logins.

2. You will next come to the TeleNav GPS Navigator Main Menu. You can now select the feature you would like to use.

14-Day Trial and Subscription Service

As a first-time customer, you can use TeleNav GPS Navigator for free during the 14-day trial period.

When you launch the application for the first time, you should see a message during the login process that explains the free trial.

Two days before the end of the 14-day trial, an SMS message will be sent to your phone, prompting you to subscribe to continue using the service. This message will have the following text:

Your TeleNav free trial is about to expire. To subscribe, please click the "Go To" button.

Follow the instructions or call TeleNav Customer Support for assistance at: **1-888-353-6284**
