3. Highlight "TeleNav Navigator" and press **OK**.

4. After TeleNav GPS Navigator starts, the splash screen appears for a few seconds.

The next screen will collect your login information.

5. Type in your first and last name. The application will automatically get your phone number.
6. Press **GO** or highlight "Done" and press **OK**. The system will create your new account.

NOTE: You will not be asked for a PIN. The application will automatically use the last 4 digits of your phone number as your default PIN. If you want to change your PIN, simply login to your "My TeleNav" page at: <http://www.telenav.com>

Recommended Upgrade

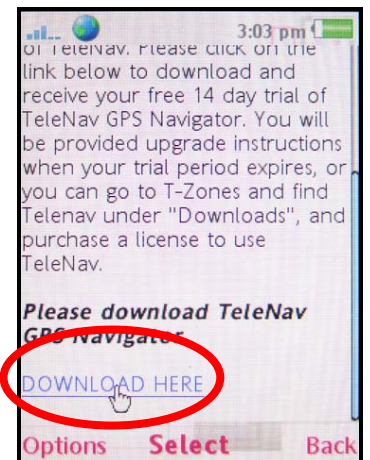

After launching TeleNav GPS Navigator the first time, an SMS message may be sent to your phone, instructing you to install an updated version of the application. This will only occur if TeleNav GPS Navigator is older than **Version 5.2.8, Build 1056**.

NOTE: The link displayed in the SMS message will only work in your phone's WAP/Internet browser and not from your desktop computer.

1. Highlight the download link on the screen and press **Open**.

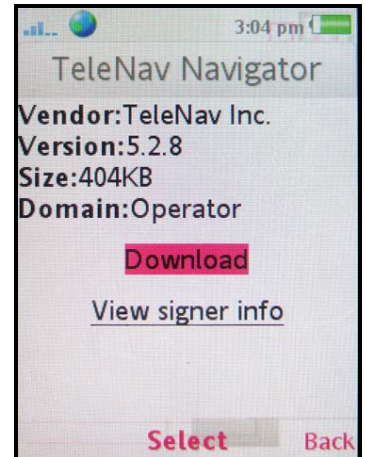

2. The Upgrade screen will appear. Use the navigation key to move down the page until the cursor is over "Download Here."
3. Press **Select**. You will then be taken to the download page.

4. Use the navigation key to highlight "Download" and press **Select**.
5. If you are prompted to replace the existing TeleNav GPS Navigator application, you should press **Yes** to continue.
6. Your phone will now download and install the latest version of TeleNav GPS Navigator.

Even if you do not receive this message, we recommend that you check which version of TeleNav GPS Navigator is installed. To do this:

1. Launch TeleNav GPS Navigator.
2. Go to Tools & Extras >> About >> About TeleNav Navigator.

The version number will now be displayed. If it is older than Version 5.2.8, Build 1056, then you should upgrade it. Please call TeleNav Customer Support at: **1-888-353-6284** for assistance.

14-Day Trial and Subscription Service

As a first-time customer, you can use TeleNav GPS Navigator for free during the 14-day trial period.

When you launch the application for the first time, you should see a message during the login process that explains the free trial.

Two days before the end of the 14-day trial, an SMS message will be sent to your phone, prompting you to subscribe to continue using the service. This message will have the following text:

Your TeleNav free trial is about to expire. To subscribe, please click the "Go To" button.

Follow the instructions or call TeleNav Customer Support for assistance at: **1-888-353-6284**
